

## "Améthyste"

A unique engraving characterizes this watch. The amethysts set on the case give it a touch of calmness and clarity to this feminine jewel, a **DELANCE** that recalls your spiritual nature.

A **DELANCE** will accompany, encourage and support you each time you look at it. It becomes your own private, silent mentor, a TalisWOMan, helping you to accomplish your destiny.

The meaning and symbology of amethyst is one of spiritual contentment. Thus it helps to strengthen the connection and communication between the mind, body, spirit and other worlds.

Through the radiant white mother-of-pearl and the elegant bracelet "cascade", the DELANCE Amethyst will assist you in this connection and in reminding yourself to be all you can be.

Elegant and powerful, Améthyst is a real DELANCE.
